RISHABH KAUSHIK

Dedicated and motivated B.Tech (CSE) Student from MIT Moradabad, actively seeking an opportunity to apply my skills in a professional environment as a Frontend Developer. I am committed to contributing to a dynamic team while enhancing my technical skills. I value collaboration, embrace new experiences, and am eager to learn continuously. I find it rewarding to create value for users and make a positive impact through my work in the field of computer science.

EXPERIENCE

GeeksforGeeks MERN Stack Training and Internship

📅 july-2024 - sep-2024   Certificate: http://surl.li/mdkaos

- **Program Enrollment:** Participated in a comprehensive MERN Stack training and internship program at GeeksforGeeks, a leading organization in web development education.
- **Skill Enhancement:** Improved proficiency in MongoDB, Express.js, React.js, and Node.js through structured training.
- **Hands-on Experience:** Acquired practical experience by working on real-world projects, applying theoretical knowledge to solve complex problems.
- **Continuous Development:** Actively engaged in ongoing learning to stay current with advancements in web development technologies.
- **Professional Contribution:** Committed to contributing to the evolving landscape of technology through collaborative initiatives and innovative solutions.

Projects

YumRun (MERN Stack)   https://yumrun-z9ry.onrender.com

- **User Authentication and Authorization:** Secure signup, login, and logout functionalities using JWT or OAuth.
- **Payment Integration:** Secure payment gateways supporting multiple payment methods (credit cards, PayPal, etc.).
- **RESTful APIs:** Backend APIs developed with Express.js to handle client requests efficiently.
- **Security:** Implement security best practices, including JWT for authentication, HTTPS for secure communication, and data encryption.

My Portfolio   https://portfolio-new-alpha-henna.vercel.app

- Tells more about me to the others.
- provide the facility to tell the user deeply about my project and services.
- Helps me to keep updated with new technology.
- Provides all kinds of contact details to the user, with the help

TECHNICAL SKILL
